

SHORTSTOP®

3.5 CONCRETE MIXER

REMOVABLE HOOK LIFT CONFIGURATION

Small In Size - Big In Profits And Big On Features:

- 3.5 Yard Capacity
- Self-Contained
- Easy To Operate
- Manufactured In The USA
- Multiple Vocations/Common Chassis
- Fuel Efficient
- Load At Local Ready-Mix Concrete Plant

Municipalities and contractors will benefit from the cost savings of the Shortstop® for delivery and placement of small loads. Enjoy the convenience of getting concrete when you need it, without short-load fees or idle crews waiting for delivery. Hook lift offers multiple vocational bodies operating from the same chassis.

The Shortstop® is constructed using only the highest-quality components to ensure you many years of reliable service. For your short-load concrete equipment needs, count on Ernest Industries - since 1967
